Call for Guest Curator

Spudnik Press Cooperative

Due April 29, 2014

As part of our mission to support and provide resources to Chicago's artistic community, with a focus on printmaking and literary work, Spudnik Press Cooperative is seeking a local curator to assemble a solo or group exhibition in our gallery. The exhibition will run from October 30th to September 30th, 2014. This program will support emerging local artists and curators working in the fields of printmaking, drawing, writing, bookmaking or DIY publishing. We are particularly interested in shows that explore areas of overlap or communication between these media.
