Preferred Class Duration: The majority of classes at Spudnik Press are 8 weeks, 2.5 hours per week. However, some classes benefit from alternate schedules.

- 10 weeks, 3 hours per week = 30 contact hours
- 8 weeks, 2.5 hours per week = 20 contact hours
- 6 weeks, 2.5 hours per week = 15 contact hours
- 5 weeks, 3 hours per week = 15 contact hours
- Other: _____

Title: _____

Description: Include skills taught, example projects, and who would benefit from the class. This will only be used internally.

Spudnik Press Cooperative Class Syllabus

Learning Objectives: What goals will drive the content of the class? Clarifying goals will create cohesion from week to week for students, and better focus demonstrations, discussions, and feedback.

1.

2.

3.

Key Projects: Please include the parameters (i.e. edition size, dimensions) and the requirements or learning emphasis (i.e. a minimum # of layers, color mixing, registration). There is no required number of projects for a class.

1.

2.

3.

Spudnik Press Cooperative Class Syllabus

Basic Schedule: How does the class begin? Will there be a demonstration? Will students share work in progress? What are the main activities throughout the day? Include a general time line.
New Skill: Every week should include an element of new learning, including "studio days".
End of Day Goals: Clarify what students should have completed at the end of each day to stay on track. This helps students set clear goals and pace their project.

Please leave additional weeks blank.
